

# Bench - Heskin

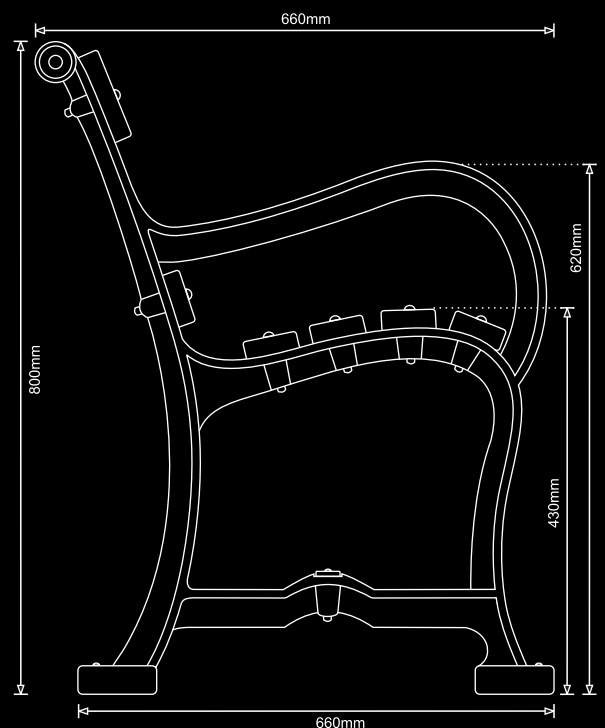

A simple, classical design with cast iron ends incorporating a scrolled top with supporting hardwood slats, braced with an iron frame for added strength.

The robust nature of both the bench ends and seat slats means that the Heskin is particularly suited for use in public spaces.

## Dimensions

Height: 800mm    Floor to Armrest: 620mm  
Width: 660mm    Floor to Seating: 430mm  
Base: 660mm
